Cinderella

AND OTHER HOLLYWOOD HITS
NORTH COUNTY ACADEMY of DANCE 2023

SATURDAY, JULY 29th 6:00 PERFORMANCE

GREEN CAST - Friday, July 28th Evening & Saturday, July 29th Matinee
BLUE CAST - Saturday, July 29th Evening & Sunday, July 30th Matinee

Based on the beloved fairy-tale, and set to music by Sergei Prokofiev

Cinderella is a gentle and kind-hearted young woman who was born into a wealthy family. She tragically lost her mother at a very young age, and when her father remarried, he too took ill and passed away. This left poor Cinderella in the care of a domineering stepmother, who forces her to act as a servant in her own home. Cinderella's stepmother has two daughters who are equally unkind and disdainful towards Cinderella.

One day a messenger arrives with an invitation to a ball...where the Prince is to choose a new bride! When Cinderella's stepmother and stepsisters leave to prepare, Cinderella daydreams of the Prince, dancing with her broom. Knowing her stepmother would never let her attend, she returns to her chores.

That night Cinderella falls asleep at her work table, and dreams that the embers and the ashes from the fireplace come alive. Her Fairy Godmother sends her “dream fairies” to calm her sleep.

The day of the ball arrives, and the Stepmother has arranged for her girls to have a quick dancing lesson. Things do not go as planned, as the instructors notice Cinderella’s talent and beauty and give her more attention than her stepsisters! The two girls and their mother leave for the ball, and Cinderella is left alone, crying at her work table, wishing for a better life...

...Suddenly, Cinderella’s Fairy Godmother appears, magically transforming her home and calling to her service the four fairies of the seasons, Spring, Summer, Autumn and Winter. They gift Cinderella magical attire for the Ball, transforming her beyond recognition into a beautifully dressed princess. The Chime Fairies warn Cinderella that at the stroke of midnight all magic will cease, and she will be transformed back into her scullery maid attire. The Fairy Godmother magically transforms a pumpkin from the garden into a carriage, and Cinderella heads off to the ball.

The NCAD Pre-Professional Training Program

is designed for the home-schooled student ages 9+ who wants focused and well rounded dance training.

Small class sizes, detailed attention to correct technique and encouraging feedback are the hallmarks of the program, which offers a more complete, individualized approach to training in professional Classical Ballet and Contemporary.

Our goal is to provide the highest level of training while preparing our students for a potential career in dance, giving them the tools they need to successfully audition for summer programs, college dance programs, and professional dance companies.

Dancers in the program will train upwards of 11 hours a week, with classes that include classical ballet, pointe/ variations, lyrical, contemporary, as well as a rotation of cross-training courses including (but not limited to) pilates, progressive ballet technique, turn technique class, legs and leaps, stretching and strengthening, yoga for dancers, nutrition, choreography and composition, dance history, etc.

The benefits of our program stretch beyond the potential career dancer, because while students grow in artistry and technique, they will also develop self-discipline, strength of character, creativity, connections with other dancers and teachers- and so many other traits that will aid them no matter what vocation they choose. Come train with us!
